# Munich Day Trip

## SEE MUNICH LIKE A LOCAL—BY BIKE!

On Tuesday morning after Challenge Roth, we will depart for downtown Munich. Upon arrival into the pedestrian-friendly area of the Marienplatz, we'll go on a private guided tour of the coolest city sights on a hybrid or cruiser bike. The tour is 4 hours, and covers a total of 4 miles with around 8 stopping points for photos and historical commentary and context. A stop at the world's 2nd largest outdoor beer garden is on the agenda, so bring along a few Euros for lunch. (Vegetarian options)

The bike ride is an easy, pleasant pace and concludes in the Munich Marienplatz area. Dinner choices here are plentiful and you will have time to dine, do some shopping, and perhaps have a toast at the world-famous Hofbrauhaus. At our Munich meet-up point, we will gather and transfer back to our Challenge Roth hotels in Nuremberg and Roth. It's time to pack up for our next stop...Prague!

 **Meals Included: Breakfast**

# Prague Car Tour

Wednesday, 10 July

## PRAGUE CLASSIC CAR TOUR

As has been tradition on the Best of Bohemia Tour, we kick things off with a 90-minute grand tour in classic cars. This is a great introduction to Prague as we will stop at key points along the way (that's the Presidential Palace above), and we conclude the tour at the famous John Lennon wall. Before democratic freedom swept into this country, citizens would defy the authorities and draw messages and artwork on this wall. It stands as a reminder that the people of Prague are some of the most creative, artistic, and expressive you will ever meet. Prague continues to inspire us with every visit.

 **Meals Included: Breakfast, Welcome Drink**

# *Prague Walkabout*

## Thursday, 11 July

### **"ALAN'S LOOP" - PRAGUE CASTLE, MALA STRANA, CHARLES BRIDGE**

Named for its creator, the long-time beloved concierge at the Mozart Hotel, Alan's Loop is a great route that can be done at your own pace to take in sights like Prague Castle, St. Vitus Cathedral, the Mala Strana neighborhood, the Charles Bridge, and more. At our Welcome Gathering on Wednesday afternoon, Alan will show you the highlights of his favorite walking route and provide the easiest way to see the top sights in Prague, all within our neighborhood.

# Prague Culinary Tour

## Thursday, 11 July

### CULINARY TOUR OF PRAGUE—THURSDAY AFTERNOON

Take a culinary tour through Prague and stop in at the hottest eateries, historical establishments favored by Franz Kafka and Albert Einstein, have an authentic Czech beer, and cap it off with a warm strudel stop. Throughout the tour we will learn about the history of Prague, its culinary traditions, and meet the artisans who have maintain them. Prague boasts a robust culinary scene, and there's something here for every "foodie." All of your food and drinks on this tour are included.

 **Meals Included: Breakfast, Dinner**

# Prague Cruise

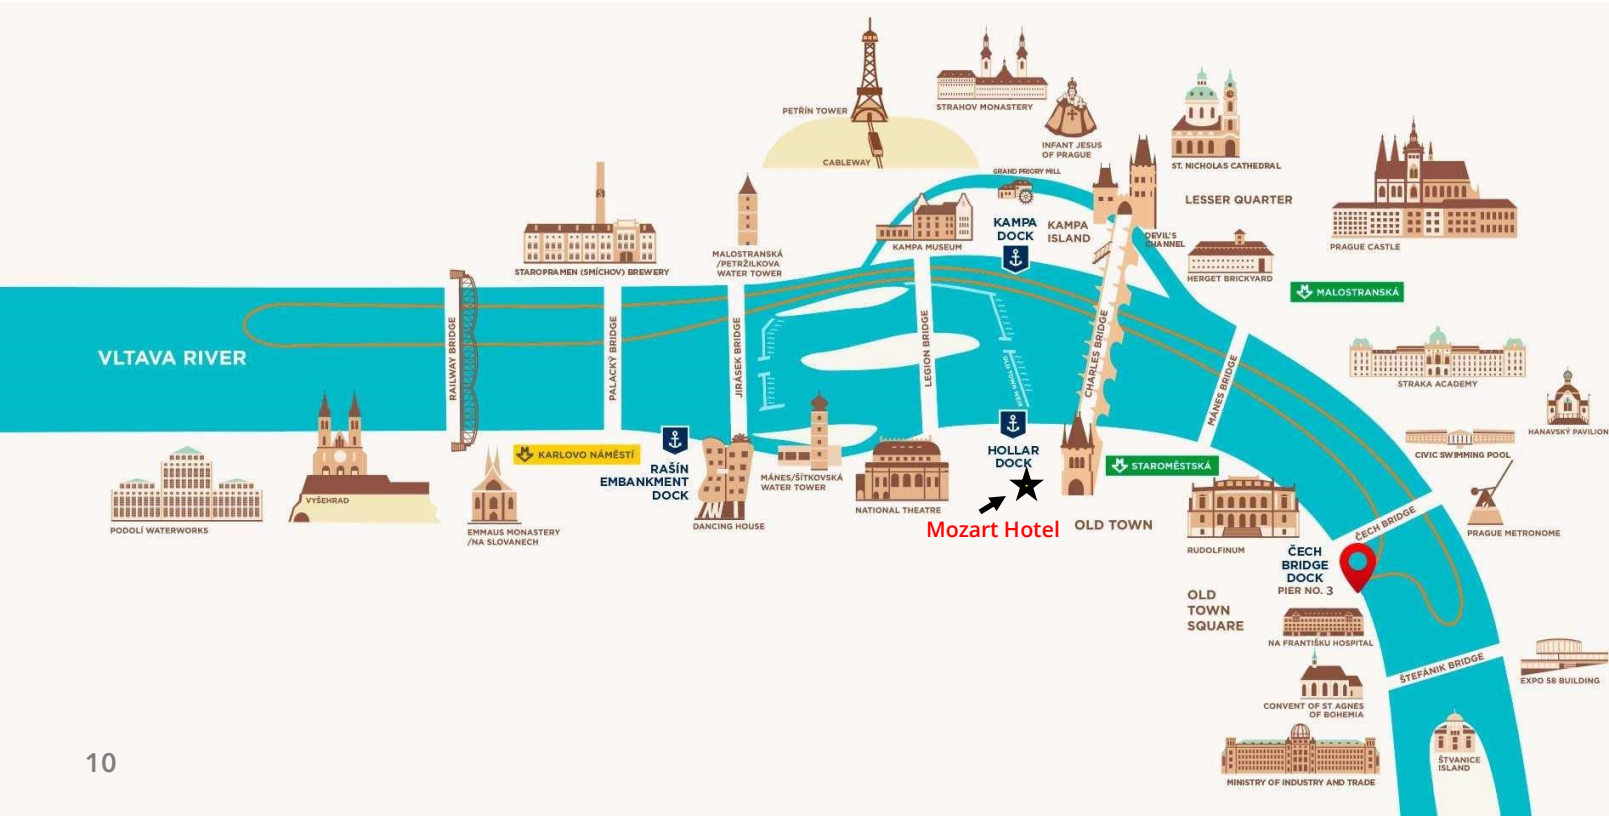

Friday, 12 July

## PRAGUE RIVER CRUISE

In an effort to show you Prague from every possible vantage point, we include a beautiful cruise on the Vltava river. This Grand Tour will afford you excellent photo and video opportunities, from the decks of this peaceful cruiser that will glide past Prague Castle and under the Charles Bridge. Gather in the hotel foyer for our short walk to board the boat.

 **Meals Included: Breakfast**

# Morning Run

## MORNING RUN OR WALK

After Challenge Roth you may be feeling some of the residual effects of Sunday's race. We have provided a beautiful loop route from our hotel that circles the Old Town, across the Charles Bridge, down into the Mala Strana neighborhood, back across a bridge, and up a few blocks to your starting point, the Mozart Hotel.

The city of Prague has made some recent improvements to this popular 5km route, paving portions and designating it as a bona fide bike and walking route. Should you want to return back to the hotel with a shorter effort, all you need to do is cross the Vltava river at an earlier bridge than what is pictured on the map. You can find a detailed route from [Great Runs here](#).

This optional activity can be done at your leisure on any morning you choose. Prefer a spa treatment? Our hotel offers an array of body treatments, massage therapy, a sauna, and even a hair and nail salon onsite for your post-race recovery.
